

MIMS goes 100% Ad free!

This year has seen MIMS go 100% ad free.

Whilst the electronic versions of MIMS do not carry any advertising, the MIMS abbreviated book, historically has.

Now, for the first time in our 50 year history, MIMS is solely funded by end user subscriptions – and no advertising!

As a result we have redesigned the cover of our ‘small book’.

Look out for the new cover on your next issue.
